Dear Bitla Umesh Kumar,

Following our recent discussions, we are delighted to offer you the position of **Software Developer Intern** at Infyntrek Systèmes. We were thoroughly impressed with your skills and passion during the deep resume screening process and believe you will be a valuable addition to our **Software Department team**.

This letter outlines the terms and conditions of your internship.

Position & Team

You will be joining us as a MERN Stack Developer Intern. You will be a part of the Development team, where you will have the opportunity to contribute to exciting projects and gain hands-on experience in the MERN Stack Development field.

Roles and Responsibilities

As a valued member of our team, your primary responsibilities will include:

- Developing and maintaining web applications using MongoDB, Express.js, React.js, and Node.js.
- Assisting in the design and implementation of user-facing features and components using React.js.
- Building and managing RESTful APIs and back-end services with Node.js and Express.js.
- Working with MongoDB for database schema design, data modeling, and manipulation.
- Writing clean, efficient, and well-documented code across the full stack.
- Participating in code reviews to ensure code quality and adherence to best practices.
- Troubleshooting, debugging, and resolving issues in the application.
- Collaborating with team members on various projects.
- Participating in team meetings and brainstorming sessions.
- Assisting with day-to-day operational tasks.

Internship Details

- Start Date: Your internship is scheduled to begin on above mentioned start date.
- Duration: This is expected to conclude on End Date mentioned above.
- Location: This is a remote position.
- Working Hours: Your weekly schedule will be shared for trainings and product development will be flexible but within Infyntrek's deadlines.

Stipend

You will receive performance based monthly stipend of up to ₹7,000 or 80.89 \$, payable at the end of each month, subject to applicable tax deductions.

Reporting Manager

You will report directly to trainings team and Group admin. They will be your primary point of contact for guidance, mentorship, and performance feedback throughout your internship.

Company Policies

As an intern at Infyntrek Systèmes, you will be expected to adhere to our company's policies and procedures, which will be shared with you during your onboarding. This includes our confidentiality agreement, code of conduct, and data protection policies.

Confidentiality and Non-Disclosure

Your role may involve access to confidential information, including but not limited to trade secrets, client data, and proprietary software. Should you be allocated to a project governed by a Non-Disclosure Agreement (NDA), you will be required to sign it before commencing work. You agree not to disclose, share, or leak any project-related information outside the organization without the express written permission of the designated project owner. A breach of this confidentiality is a serious offense and may result in immediate termination of your internship and potential legal action.

Acceptance

We are excited to have you join us. To accept this offer, please sign and return a copy of this letter by 2 days of receiving this letter.

We look forward to welcoming you to the Infyntrek Systèmes team!

Best regards,

Rajesh Kumar , Founder & CEO
